For a fee of \$1500, in addition to the APC, your article will be freely available in our online Technical Library, allowing anyone to view the full article under the Creative Commons CC BY-NC-ND 4.0 license. Pay the open access fee when you send the payment form that comes with your layout proof.

4. Copyright Transfer (www.asabe.org/Copyright)

If this manuscript is accepted for publication by ASABE, I hereby assign and transfer to ASABE all rights, title, and interest in and to the copyright in said manuscript. ASABE in turn hereby grants to the authors and, in the case of a work made for hire, their employer, a nonexclusive, royalty-free license to use and distribute the article by print, email, employer website, or personal website, provided that each copy includes the copyright notice appearing on the published article.

Articles may NOT be posted on websites such as ResearchGate, Facebook, LinkedIn, or a third-party or social networking website unless the additional open access fee of \$1500 is paid.
